Experiences

IT Development - PT. Robot Tercuan Sedunia

September 2019 - March 2021

- Worked in the IT department at PT. Robot Tercuan Sedunia, contributing to website development and maintenance. Gained valuable experience in web development, strengthened technical skills, and collaborated with the team to deliver effective digital solutions.

ATM Maintenance - PT. Tunas Artha Gardatama

April 2019 - August 2019

- Worked at PT. Tunas Artha Gardatama as an ATM Maintenance Technician, responsible for maintaining and troubleshooting ATM systems for banking clients. Developed strong problem-solving skills, attention to detail, and a commitment to delivering reliable technical support.

Experiences

Development Intern - PT. Bluelake Indonesia

June 2018 - August 2018

- Completed a Web Development Internship at PT. Bluelake Indonesia, where I gained hands-on experience in web development and software development practices. This internship strengthened my technical foundation and sparked my passion for building web applications.

Data Entry Intern - PT. Bukaloka Indonesia

May 2018 - August 2018

- Completed a Data Entry Internship at PT. Bukaloka Indonesia, where I was responsible for entering and managing data accurately. This role strengthened my attention to detail, accuracy, and organizational skills, which continue to support my work as a developer.
